Attorney Peterson reported that the Chief of Police, the Mayor and he had met and discussed the Nuisance Ordinance. The Ordinances state that cars parked on City streets for more than 48 hours can be impounded by City Police. Mr. Peterson said that after Chief Wood serves notices, if the land owner or occupant does not respond, the City crew will clean up the problem sited and the property owners will be sent itemized bills. If the bills are not paid, the clean-up will be charged on their tax bill or collected through court action.

Councilman Dafoe mentioned that this year the 4th of July is on Sunday. After discussion, it was decided to have the City 4th of July celebration on Saturday and Monday.

Council Member Hansen requested that action be taken on the problem of trucks parking on the corner by the park. Superintendent Forster said that he would take care of the problem with no parking signs or painted lines on the curb.

Councilman Don Dafoe MOVED to adjourn the meeting and Councilwoman Ruth Hansen SECONDED the motion. The vote was unanimous. The Mayor adjourned the meeting at 11:15 p.m.
